OUT OF TOWN VISITORS

Out of town visitors may want to:

1. Visit the Special Collection at the Kentucky Library, Kentucky Building, on the campus of Western Kentucky University in Bowling Green, KY. A competent staff is there to help with Genealogical Research. If further help is needed, Officers or Chairpersons listed on the facing page may be called.
2. Visit the County Court Clerk Collection in the Warren County Courthouse, in Downtown Bowling Green. Extensive court records, either the actual books or microfilmed copies dating from the time the county was formed in 1796, are on file there and are in excellent condition.
3. Visit with us at our regular meeting or call one of the Officers or Chairpersons listed in this Quarterly for help.

THE LONGHUNTER

THE LONGHUNTER is published quarterly and is mailed to approximately 200 Southern Kentucky Genealogical Society members and to 100 other societies in exchange for their publications. This quarterly contains 40 to 50 pages each issue and is indexed with a full name index. It is designed to give researchers information about the Ancestors and Descendants of Members of the SKGS and other information from the South Central Kentucky and the North Central Tennessee areas. Members are encouraged to submit articles for publication. Local newspaper clippings from the past, Census Records, Records of Court Proceedings, Bible and Cemetery Records, Family Histories, which you may have written, Pedigree Charts, Photographs (send copies only), will be welcomed by our Editors.

Articles written for publication should be typed or printed legibly and should not be over 10 pages in length. Sources for information you submit should be stated in the article or put in Footnotes at the end. The right to edit any material for presentation is reserved by the Longhunter Editor. Although it is the desire of the Southern Kentucky Genealogical Society to publish reliable genealogical material, neither the Society nor the Editors assume responsibility for facts or for opinions expressed by the contributors. Submitted material becomes the property of the LONGHUNTER and will not be returned to the contributor.

QUERIES

All members are urged to submit Queries. These should be limited to about 80 words per Query, but there is no limit to the number a member may send in. Since the LONGHUNTER will be read by the people in 200 member household plus the households of 100 other societies who receive our quarterly in exchange we believe you will be pleased with the results you will get from this much exposure.

BACK ISSUES

Current and Back issues of the LONGHUNTER are available back to 1978, and are \$4.00 each postpaid. Orders should be placed with the Southern Kentucky Genealogical Society, P. O. Box 1782, Bowling Green, KY 42102-1782.

EARLY SETTLERS OF SOUTH CENTRAL KENTUCKY, Cont'd

JOSEPH TAYLOR, JR (II)

Joseph Taylor II, son of Joseph and Nancy Taylor, SR of Edgecombe Co., NC, b-1751 in Orange Co., VA (inscription on tombstone; another more likely source gives birthdate 1760 in NC), d-22 Mar. 1818 near Richardsville in Warren Co., KY, m ca 1781 to Sarah Best (b-ca 1760, d-1834 near Richardsville, Warren Co., KY). Both are buried at the old homeplace in Taylor Cemetery (farm owned in 1992 by Ennis Runner). They were parents of twelve children.

Joseph Taylor II served in the American Revolution as a private in the Army of Capt. Blount's 5th NC Regiment. He enlisted for 2 1/2 years and was discharged on 30 Jan. 1779. Following his discharge he served in the Martin Co., NC Militia as a private in the capacity of gunsmith from Oct. 1779 to June 1783 (as shown by his payvouchers). He with his family moved from Edgecombe Co., NC to Warren Co., KY to a section north of what is now Richardsville. One record shows he was in Warren County in 1806 and another in 1808. He purchased 140 acres of land for 60 pounds on Swan Creek, waters of Barren River, on 6 May 1809. On this land, he built a log house near two large springs. After 183 years both springs are flowing freely and furnish a year around water supply for Mr. Runner's livestock.

One of the above springs is known as "Jake" Spring. Jake was a slave who was willed to Joseph Taylor's wife in his will. After the death of Joseph, Jake (or Jack, as named in the will) helped to care for the widow, Sarah, and continued to live around the spring area after her death. He is also buried in the Taylor Cemetery.

Members of the Taylor family helped to establish the Green River Union Meeting House at Richardsville, Warren Co., KY. One of Joseph Taylor's daughters, Francis, married William Cherry and was the grandmother of H.H., T.C., and seven other Cherry brothers. Another daughter, Charlotte, b-3 Oct. 1805, in Edgecombe Co., NC, d-5 June 1867, in Warren Co., KY, m William Lawson White on 9 Mar. 1823 in Warren Co., KY.

FROM MISSOURI TO OKLAHOMA - 1898
by Martha Bullock, Calumet, OK

Left our home November 14, 1898, got to El Reno December 14, 1898.

FIRST DAY OF OUR JOURNEY: We ate dinner at Mr. Givens, camped south of the stockyards. Went to Martha Meagers to a party. Ed MillHouser and Tone stayed all night with us. A drunk man came at midnight and stayed until two o'clock. Curt set Queen on him. Anna stayed with Edith C, Mary, Ella, and Iva. Mary and Cora missed it by not coming to town with us. We had such a nice time.

SECOND DAY, NOVEMBER 15: We left Carrollton at 10:00 a.m., got to Norborne at 2:00 p.m. Found the country beautiful. Saw Mr. Carter camped 3 miles southwest of Norborn. Tone left us there. Enjoyed Mary's cake fine. We are enjoying the trip. Mary and Fanny are about sick. The weather is beautiful today. Charley and Will Stillwell came down and stayed awhile. Robert Bothrins and Nancy was down too.

THIRD DAY, NOVEMBER 16: Reached Hardin at 10:00 o'clock. The country is just as level and it is the prettiest country I ever saw. We got to Lexington at half past 12. Camped at the river. Lexington is the prettiest place, it is on a great high place. The river is about a quarter of a mile wide. We saw a steam boat today. We ate part of Mary's cake for dinner and the rest today. It was awful good. We haven't had any bad luck only Ma knocked the pipe off the stove. Fanny is no better. She has an awful fever. Got across the river safe. We crossed in a steam ferry. Us girls rode on deck. Lexington is built on a high hill. I saw the place where the battle of Lexington was fought and saw the old church they used for a hospital. We also saw the mining town west of Lexington. We are camping one-half mile east of Wellington, right on the bank of the Missouri River. Our tent is just as comfortable as a room.

FOURTH DAY, NOVEMBER 17: We haven't gone very far today. We got off the road and the wagon came uncoupled. We ate dinner in front of an M.E. Church. We are in Jackson County. It is a real pretty place, but awful rocky. I actually saw one larger than our tent. We struck rock roads at Levasy and they will go to Independence. They are just as hard and smooth as glass. We can go fast now. The roads are as white as snow. Jackson is a fine county and has fine buildings and farms. We are camped in a low place. It looks like the place down by Big Creek Bridge. Last night we camped between the Red River and the river, the train passed and every one of us jumped up. We did it so sudden that every one of us laughed. We saw a pretty house today with five rows of walnuts on each side of the walks, and the house was a quarter of a mile off the road. It was the prettiest place I ever saw. Oh! Lula, I wish you was along, we are having a terrific time. We are 17 miles from Independence, Kansas now. We drink spring water. It is nearly as cold as ice. Anna got some persimmons today. The first we have gotten. Mary, Anna, Maggie, and I generally ride in the spring wagon. We walk a good deal of the time. George is having lots of fun. He cuts up all the time.

FIFTH DAY, NOVEMBER 18: We have gone about 25 miles today. We went through Independence. It is an awful pretty place, lots of fine buildings, nice beautiful country. I think every one here must be rich for they all have a fine house and a fine barn. We are in Kansas now, we came through the edge of Kansas City and saw the cemetery. It is a pretty place. It is just kept in style. I saw lots of fine buildings in the City. We are camping about five miles from Kansas City. The rock roads lasted until Kansas City. Today has been the prettiest day we have traveled.

FROM MISSOURI TO OKLAHOMA - 1898, Cont'd
by Martha Bullock, Calumet, OK

SIXTH DAY, NOVEMBER 19: We have made about 30 miles today. We traveled later tonight than we ever have. One of the mules got his foot in the ropes of the tent. Anna ran to the center pole and screamed. Oh! I am dying till I think they heard her all over the country. We saw a jack rabbit today. We also saw the deaf and dumb asylum in Olaythe, Kansas. I have heard people talk about Kansas, I think they would change their minds. Although yards have evergreen in them, the houses on North Main Street in Carrolton are not as nice as some of the country residents. The houses are about a half quarter of a mile apart. I think Kansas is a great deal prettier place than Missouri. We are camping in a mine field tonight right by a pond. We have had no trouble getting wood so far.

SEVENTH DAY, NOVEMBER 20: The wind is blowing so hard it is about to blow the tent down. Today is Anna's birthday. We are camping in the timber now. We didn't go but five miles today. We would not have gone any, but we wanted to get wood and water and the wind don't blow so hard in the woods. I saw a park this morning. It had two deer in. They were pretty. I saw a lot of folks pass just now. They were coming home from church. They were dressed just like they do in Missouri.

EIGHTH DAY, NOVEMBER 21: We have been gone one week today. It has been raining all night and is sleeting this morning. Ice is froze all over the ground, and it is so cold we can hardly stay out at all. It rained in the tent so we had to get up at 3 o'clock and put the beds on chairs. The men hired stalls for the horses at 25¢ per day. We are near a fair ground. It is a very pretty place. Pa cut lots of wood yesterday. If he hadn't we could not have gotten along. We sit on the wood. Curtis is sick this morning. He has got the lagrippe. Ma is not feeling very well and Mattie has a stiff neck. The weather is getting worse. It is getting worse, it is almost a blizzard. We had to buy straw to put the beds on.

NINTH DAY, NOVEMBER 22: It is a clear day. This morning the ice is frozen on the trees and the ground is covered with snow. It is very cold. The people here say it is almost as cold as it got last winter. The boys are cutting wood for the night. We are in the same quarters at Edgerton. I hope it won't be as hard with us as it was with the soldiers at Valley Forge. The sun is shining and it is very pretty, but there is ice all over the trees. Fred and Burtles have gone hunting. Pa went up town to get Ma some medicine. We got a jack rabbit last night. The ice is froze hard, I think we will go coasting this evening.

THANKSGIVING DAY, TENTH DAY, NOVEMBER 24: The boys have all gone hunting. Ma is sick today and we had to get the Doctor for her. Us girls went skating today. The boys have got back, they killed 26 rabbits. They saw a wolf also. Anna concluded she would do some washing and she went up town and borrowed a tub and washed. She had to go to several places and at last she got one. The woman ask her if she would bring it back in the morning, so she sent it back that night. She seemed real sweet about it.

ELEVENTH AND TWELFTH DAYS, NOVEMBER 25 and 26: Camping here still. Ma is a little better.

THIRTEENTH DAY, NOVEMBER 27: We started this morning and went to Ottawa. It is about 25 miles. The roads were awfully muddy and it rained on us most of the day. We stayed at the livery barn at night. Ottawa is two miles long and one mile wide. It has some very nice buildings. The court house is the finest one I ever saw. We crossed the Osage River. We saw a waterfall and a wolf today.

FROM MISSOURI TO OKLAHOMA - 1898, Cont'd
by Martha Bullock, Calumet, OK

The roads are rocky and the country is not so fine. We are in Agricola now. It is a very small place. It has been awful cold. We saw a mulberry tree and grove today. It was about a half-mile long. They were the finest looking trees, the limbs nearly touch the ground. We saw a coal mining place.

FOURTEENTH DAY, SUNDAY, NOVEMBER 27: We started early and went 33 miles. It rained nearly all day. The roads were very rough. We stayed all night at Mr. Pipers. We put some of the horses in the barn. We crossed the Cottonwood River and saw a real long bridge, it was half a quarter of a mile long.

FIFTEENTH DAY, NOVEMBER 28: It has been awful cloudy all day and it is so cold we can hardly keep warm. We went through Emporia. There is lots of pretty houses and fine buildings. There is the finest Depot I ever saw. The nicest town we have come through since Kansas City. We have gone about 28 miles today. We got to drive into a lot tonight and are staying in a kitchen. We cooked our supper on the stove. It is a great big house made of stone. Has 12 rooms in it. Anna is dressing a hen. We got it to make soup for Ma. I don't feel very well now so I don't have to do much. The mud is awful and it is slippery too. We crossed a river today. We had to ford it. I got in the buggy with Pa so I didn't get scared. There was a great steep bank on each side, but we had no trouble in getting across.

SIXTEENTH DAY, NOVEMBER 29: It cleared off this morning and it is real chilly. The mud is about a foot deep, more or less. It has been most-by prairie today. All you can see is covered wagons. I think everybody has taken the same notion we did. Fanny has the Rheumatism. We are in Chase County now. There is rock all over the country. Everybody has rock fences. There is hills here. I guess that is where they get the rock. We are staying all night with some people. There is just four in the family. They have an awful nice house.

TWENTY-FIRST DAY, DECEMBER 4: I saw some Indians today. One man came by while we were eating dinner, he was driving a number of horses and he was crying like his heart would break, and he said some fellows had shooted him, then he would cry again. Pa asked him if it hurt him, he said "No," but cried some more and rode away. I think he must have been drunk. It amused me.

TWENTY-SECOND DAY, DECEMBER 5: We have come from Dover today. It was 3 o'clock when we reached Okarche. It is a railroad home town and a very nice looking little town. We left Okarche about 4 o'clock and got to Laura and Loyd's place at sundown. They were out in the yard. When they saw us coming they ran out to meet us laughing. Laura was homesick for a long time, she is a fine housekeeper. They had three rooms.

One day Curt was fooling with a gun and Anna told him if he didn't be careful the powder would go off. All of us weigh more now than we did when we left Missouri.
